

D'VINO

D'Vino Rosso is a modern wine, designed for those seeking freshness, pleasantness and immediate drinking. A lighter and more dynamic interpretation of the classic Tuscan red, with less structure and a low alcohol content, without sacrificing personality and aromatic intensity.

DENOMINATION: IGT TOSCANA ROSSO

GRAPES: Sangiovese, Cabernet Sauvignon, Merlot and Petit Verdot

WINEMAKER: Emiliano Falsini

AGEING: in steel

BALANCE AND NATURALNESS

The grapes, harvested manually at the perfect level of ripeness, are vinified with natural fermentation and delicate maceration of about 3 weeks to enhance aromas and freshness. After malolactic fermentation, the wine ages in wooden barrels, maintaining its vivacity intact without clarification or stabilization.

CHARACTER AND STYLE

With an intense ruby red color, D'Vino Rosso releases fruity aromas of strawberry, cherry and raspberry, accompanied by delicate balsamic nuances. The sip is fresh, juicy and vibrant, with a pleasant softness that makes it perfect for everyday consumption.

A versatile and dynamic wine, ideal with first courses, pizza and grilled meats, for an authentic and informal taste experience.

ELEVATION: Bottle for at least 3 months

SERVING TEMPERATURE: 16°-18° C

VOL.ALC: 13% VOL

AGEING POTENTIAL: 10 years
